Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

The institution has a feedback mechanism which is used as an effective monitoring tool to bring changes keeping the different stakeholders expectations in mind. The suggested changes have been implemented towards overall development of the institution ,including teaching- learning, infrastructure, value addition programmes ,and holistic development of the students. • Faculty feedback from students is taken regularly through an online feedback mechanism. Feedback covers major areas ranging from knowledge base, innovative teaching methodology and ability to generate interest in the subject. The analysis is done through Ms-Excel and shared with the Director. Director shares the feedback at one-to-one interactions with individual faculty, offering suggestions and advice .Student's feedback on faculty has enabled us to understand and monitor the quality of the teaching-learning outcome for every faculty. The feedback provides a tool of introspection to enable faculty members to make suitable changes in approach as found required by stakeholders. • Feedback from parents is taken at Parents-Teachers meetings organized by the institute. The feedback is taken both in face to face interactions with parents and also through a structured feedback questionnaire. The suggestions are taken up seriously. Regular PTA meetings has come a long way in building a productive connect between the institution and parents and has helped to make studying at the institution an effective and joyful experience to our students. • The college offers multiple certificate courses in order to make students industry-ready. Feedback is collected at the completion of every batch and shared with industry partners to ensure the best quality of training, thus enabling a continuous improvement and increase in effectiveness. • Feedback is taken after major programmes and initiatives, including Faculty Development programmes, to gauge the impact of the multiple programmes organized and the feedback so received is used to identify gaps and plan for improvement. • Alumni feedback is collected at the Annual alumni get-together as well as in individual interaction with faculty,Director and also through Alumni members in IQAC. Regular alumni interaction with present students has led to enriching the knowledge of industry and been a good value addition for overall progress among our students. Overall, the institution is proud that it has a well-structured feedback system which is helping its overall development as well the holistic growth of students To keep growing.
